

AIG Extended Warranty Program

Protect Your Investment

Mitsubishi Electric Cooling and Heating is proud of the quality that goes into each of our products. An AIG Extended Warranty provides a cost effective way to protect your HVAC equipment from costly repairs. You made a smart investment when you purchased Mitsubishi Electric's Cooling and Heating system, and now you can have the peace of mind that comes with knowing you are fully protected.

A Simple, Quick Solution for Your Mitsubishi Electric Ductless System

An AIG Extended Warranty provides hassle-free protection that could potentially save you hundreds of dollars by being prepared. Even the best equipment can fail, but by protecting your investment, you can better manage any expenses related to repairing your HVAC system.

HOW IT WORKS

- 1 Purchase an AIG Extended Warranty**
Contact your installing contractor for details
- 2 Schedule Service**
Call the number listed on your coverage agreement
- 3 Receive Service**
An experienced Mitsubishi Electric service provider will perform the repair at a time that is convenient for you

BENEFITS TO YOU

- Provides additional protection beyond the manufacturer's standard warranty
- Peace of mind knowing your equipment is protected
- One simple payment
- Eliminates unexpected and unbudgeted costs related to service
- Unmatched Value – the cost of an extended warranty averages only pennies a day compared to the cost of your equipment
- Mitsubishi Electric trained HVAC repair technicians will perform service
- No Hidden Fees - no service fees or trip charges
- One Simple Call for Service - assistance available when you need it
- Fully Transferable - for a nominal fee, the Extended Warranty can be transferred to a new homeowner
- Extended warranty begins 31 days from your policy purchase date
- AIG is an A.M. Best A+ rated insurance company with over 26 years of experience

*Limitations and exclusions apply. See Terms & Conditions for details. Extended Warranties provided by AIG or its affiliates. Mitsubishi Electric is not affiliated with AIG.

Note: All plan options are inclusive of the manufacturer's warranty.
